Weekly Update

March is reading month! There was a calendar that came home with your child on Monday and I sent one home via email earlier this week. There are activities your child can do at home to help promote reading and there will be some things that we will do here in class. Fill out those reading logs so that your child has a chance to win some cool prizes. The Week 1 reading log will be due on Monday.

In two weeks, the Scholastic Book Fair will be set up in the media center. Your child will have a chance to shop on Wednesday during their media center time (1:15-2:05). You are more than welcome to come shop with your child. If you are able to help out at the book fair any day next week, please let us know. Mr. Sadlier is always looking for helping hands!

Have a wonderful weekend!!
